Says Prosperity Depends on Republican Success.

SPEAKER HITS DEMAGOGUES

Designated As Unassuming and Modest, and Murphy Is Called Spotless and Angelic-Rate Abuses Are Shown to Have Been Corrected.

Chicago, Oct. 9 .- "Uncle Joe" Cannon, Speaker of the National House of Repre- That sentatives, was the guest of honor to- equal to that of two years ago. night at the annual banquet of the Marquette Club. He paid a glowing tribute to Illinois and her famous sons, praised the record of the Republican party, eulogized the President, and urged the reelection of a Republican House of Repre-

Hearst was designated as an "unassum

thues to cause matter to assume shape that is useful to the human family. Without labor commerce would not exist; without labor civilization would cease. When I speak of labor I do not mean mere mus-cular effort unguided by intelligence. The ox and the horse have many times the muscular power that man has.

"Labor, in its true sense, embraces all forms of human endeavor that tend to enserve the interests of mankind. In vention, learning, wisdom, religion, art statesmanship, patriotism, all are necessary to a beneficent and enduring civilization tion. But to exert their maximum benefit all forms of labor and capital must be law wisely administered.

Abuses Must Be Corrected.

"In the rapid development of our resources we have been so busy, each indi-

concessions as a condition precedent to their patronage, and went elsewhere if their demands were refused. In my judged of, and which we are seeking to remedy, had their initiative in the practice of allowing discriminations in favor of

"All policies, and, I may say, all legis-tion as well, that make fish of one and fowl of another are un-American and destructive. But the people of the United States, competent for self-government-and never so competent as now-have always met with courage problems as they and, guided by wisdom, patience, and patriotism, have solved them.
"The problems confronting us to-day

are by no means the most trying and difficult ones that have ever been presented to the American people for solution. The achievement of our independence, the formation of the Constitution, the abolition of servile labor, the preservation of the Union, the keeping of the public faith, have all involved questions nore difficult of solution than those which

More Difficult Problems Settled.

"With less ability to meet them, our fathers disposed of the perplexities which rose up to trouble them from time to for the last five years under the leader-ship of Theodore* Roosevelt, have suc-made to pledge the deceeded in disposing of many problems calculated to disturb all well-wishers of

But in all eras of important accomplishment the dreamer, the demagogue, the self-seeker, have tried in the past, as they are trying to-day, to lead the impatient, the Ignorant, and the selfish, as well as those who are patrictic but mistaken, away from the basic principles of realm of theoretical reform, mysticism, and doubt. At this time there are manysome in New York, some in Nebraska, some in Massachusets-who, while protesting their love for the people, are en deavoring to lead them into paths that would lead to disorder, anarchy, and ruin. "What a spectacle is presented to the

world by the unassuming, modest Hearst

who knews from intimate association with this work of co-operation, I want to Georgetown. say that never in our history have these three co-ordinate powers in legislation worked together with less friction or with better results.

"As Speaker of the House, I have consulted with the President and the leaders of the majority in the Senate, and I say to you in all sincerity, that in these conferences I have never found any one who regarded his will as absolute or his official position as giving him the right

The banquet was held in the great hall of the Auditorlina, The hall was decerated with portraits of McKinley and Roosevell, with American flags and banners, howing the arms of the different States. Among those at the speaker's table were James A. Stevens, president of the Marquette Club; Speaker Cannon, Congressman H. S. Boutelle, the Rev.
